2023-2024 SEMESTER CONSORTIUM AGREEMENT – SPRING 2024

The consortium agreement is a semester process that allows Sacramento State (home campus) to consider courses taken at another school and have those courses count toward the degree at the home school. Units enrolled at another school and approved under the consortium agreement will be combined with the units at the home campus for consideration of federal and in certain state aid programs.

Additional Information:

- The Consortium Agreement program is provided to students by Sacramento State and not required by federal regulations. Each host campus *may* or *may not* participate in the Consortium Agreement program with Sacramento State
- A consortium agreement is available each semester and the student has the option to apply for a consortium each semester they concurrently enroll at another institution
- The student must be enrolled in at least half-time at Sacramento State (i.e., 6 units Undergrad, 4 units Graduate). Students enrolled in 12 units or more at Sacramento State are ineligible
- Courses for a double major, double concentration, or minor will not be considered if they are not required by the students primary academic program
